Our office / starting point on Naklua Road is easy to reach by Baht-bus (song-taew), the open pick-ups you see everywhere in Pattaya. You pay 10 baht per person for every ride that you make with a single Baht-bus.

Coming from 2nd Road (the road parallel to Beach Road), on the Dolphin roundabout you can switch Baht-bus if necessary (when the baht-bus turns left onto Beach Road again).

Naklua Road is the road where Let's Relax massage and Sunshine Garden Resort are at in the beginning. If you grab a baht-bus in front of Let's Relax Massage it will go onto Naklua Road. You can also walk the last part for about 5-10 minutes.

After 500 meter you will find Ryan's Bar on your left side, after you have passed soi 18/1 on the left side. You will find us inside the bar.

If you take a (motorbike)taxi, just tell the driver either Boncafé or Windmill resort, Sai Naklua, they will all know that. We are across the street from those; from Boncafé after crossing about 50 meters to the left, from Windmill resort after crossing about 20 meter to the right.

Please call us in case you do have trouble finding us +66 (0)8 67 888 007.
